1. Paul Förster's trip to West Berlin to secure diamonds was successful. The Zeiss Jena representative was able to procure the needed stones in Haus Friedrichstadt, Berlin Friedrichstrasse. The building houses several firms. It is believed that one of the two following firms on the premises may have sold the diamonds: Schweizerische Delegation or S. Friedberg, Import und Export.

2. The diamonds were purchased despite cancellation of a master order for delivery of finished stones because Zeiss has received numerous inquiries about similar products from Hungary, Romania and Czechoslovakia.

25X1A 1. [REDACTED] Comment. The 1950 Berlin telephone directory lists Schweizerische Delegation at NW 10 Fuerst-Diamondstrasse 4. S. Friedberg, Import-Export, is listed at W 8' Friedrichstrasse 194-199.
